OTHER

A SHARING OF TIME AND TALENT

There are many ways to get involved at Holy Rosary Church and School. You can share your time and talent throughout ministries and activities that support our service, worship, education, evangelism, pastoral care and stewardship commissions in doing God's work. You can also share by simply helping to maintain our buildings and grounds. Get involved and make a difference!

I desire to share my time and talent or am interested in learning more about the following Holy Rosary Church and School Ministries.

If you are currently involved in a ministry and you wish to continue, please make sure you indicate that you would like to continue.
