

Holy Rosary's
**Everyday
Angels**
Sponsored by: Holy Rosary Mom's Group

Jan. 2, 2019

Thank you to all the "Angels" who have already dropped off items. Your donations are greatly appreciated! We now are accepting donations for our **forty second** family.

What are we asking of you? Join us in being an "Everyday Angel". Check the bulletin to see if any of the needed items match what you have and no longer need. These items do not need to be new; we welcome gently used items in good, clean condition. Should you have other items not included on the wish list, feel free to donate those as well. We will ensure they are stored for future use and distributed accordingly. Needed items include coats, footwear, clothing, bedding, school supplies, toys and games.

Bring items to Holy Rosary and place in the "Everyday Angel" box in the welcoming center. How gratifying to know that our unused and outgrown items can make a huge difference in the life of someone else! Below please find our **42nd** family in need. Please if you can give anything they will very much appreciate it! For more information, please contact Susan Deraney (218) 849-1856 or Melissa Lorentz (218) 234-0777.

Should you donate items for a particular family member, please bag it separately and label it accordingly, this will help tremendously with the sorting and ensure that those persons receive your items.
