

March 19, 2019

We now are accepting donations for our **46th** family.

Did you vow to get organized and declutter your home in the New Year? Please remember the **Everyday Angels** project! We collect new and gently used items and distribute them to area families who are in great need of a hand up. Everyday Angels accepts any items needed by one who is starting over from loss of a home or those facing financial hardship due to illness, loss of income, etc. You can be an "Everyday Angel"

and pass along the items you have outgrown or no longer need to those who need them most. Refer to the bulletin as every 2-3 weeks we feature a new family from our area. We welcome new or gently used items in good, clean condition. Everyday Angels also collects items not included on the current wish list; we will store them for future use and distribute accordingly. Continually needed items include: household goods, beds, linens, clothing (socks & underwear), outerwear, footwear, furniture, educational toys, books and games. Bring items to Holy Rosary and place in the "Everyday Angel" box in the welcoming center. How gratifying to know that our unused and outgrown items can make a huge difference in the life of someone else! For more information, please contact Susan Deraney (218) 849-1856 or Melissa Lorentz (218) 234-0777.

When donating items for a particular family member, please bag them separately and label accordingly; this will help tremendously with the sorting and ensure those persons receive your items.

Family #46 (#46A-C): This family of 8, are now homeless due to an electrical fire. This family consists of two adult sisters and an adult brother. One sister has 3 children, the other sister has 2 children.
