

Adoration of the Blessed Sacrament is held every Tuesday from 9:00 am to 7:00 pm in the church. All are welcome at any time to pray and be with Jesus. **Sunday Holy Hour:** Deacon Gary and Fr. Chuck lead a Holy Hour on the 2nd and 4th Sundays of each month at 3:00 pm. This is an opportunity to spend time with Jesus. Adoration also takes place during this time. You may stop in for any length of time that works for you. The hour closes with Benediction. Bring a friend and spend time with your friend Jesus!

Healing within Marriage from an Abortion When Susan's* husband, Juan, told her about the abortion he was involved in during college, she finally understood why he was so depressed and had trouble bonding with their children. The devastation of abortion brings with it many challenges. Often, the people who have participated in an abortion are unaware of the countless ways it is affecting their lives. It is scary to tell a spouse or fiancé(é) about a past abortion. It requires great trust in that person's love and trust in God. But with the help of an abortion healing ministry, couples can successfully work through abortion-related challenges. God's grace can bring true healing to the relationships of those who trust in His infinite mercy. Read the full version at respectlife.org/healing-in-marriage.

The Holy Gospel

The Holy Gospel is not the mere reading of a text; it is the presence of the risen Jesus in the midst of the Church. No sooner is the Gospel announced than the people address Christ directly, saying, "Glory to you, Lord." Similarly, after the Gospel, the people address their Lord, saying, "Praise to you, Lord Jesus Christ." Lighted candles and burning incense, marks of reverence and joy, may accompany the procession with the Book of the Gospels and surround the ambo while it is chanted or read. We listen to the Gospel standing, like a people thrilled to see and hear their King. Before the Gospel, we make a sign of the cross three times: on the forehead, the lips, and the heart, praying that the Word of Christ fill our thoughts, bring praise to our lips, and inflame us with love. The Sunday Gospels roll on a three year cycle: Saint Matthew (Year A), Saint Mark (Year B), and Saint Luke (Year C). Part of the Gospel of Saint John, Jesus' discourse on the Bread of Life, is fitted into Year B; the greater part of it is read during Paschaltide. "Lord, to whom shall we go? You have the words of eternal life" (John 6:68).

A Letter from Father Chuck Huck

Greetings on the 28th Sunday Ordinary Time, (whew, so much to relay in a front page).

A Mass intention for someone living or deceased is a wonderful way to get the grace of the sacrament for the person. If you have a family gathering, coming up, offer a Mass for safety or a joyous celebration. The grace God provides will enrich their lives. We have many Masses available for your intentions. See the office to schedule one for your friends or relatives. You may want to celebrate an anniversary of a wedding or day of death, or birthday, God will bless them all. I have done Masses for friends and relatives who died in last year, or the birth or graduation of a grandchild. Send a card letting a grieving family know of a Mass for them.

The responses to the small group sessions on the Eucharist are so positive. It is not too late to join a group. Call us at the office or simply stop by the group session. You will find it rewarding. Group meeting times can be found on our website or at the tables when entering the Church.

During October, Respect Life month, we have the baby bottle campaign in process for our local Health Resources Center. This wonderful organization helps with ultrasounds, supplies, and support for men and women who are facing pregnancy and do not know which way to go. Please take a bottle, fill it up and return it. You can also refer people to them who have questions or need assistance.

We are getting close to having **all of the rooms booked** for the National Eucharistic Congress in Indianapolis next July. If you are contemplating going, now is a good time to let us know. By January 1st you might not be able to get into our room block or get tickets. Contact Mary Hager if you'd like to join.

Also, a reminder to go to our website and check out the Star of the North Eucharistic Congress to be held in Bemidji. This local event features many high-powered speakers and a mass at Itasca State Park where people will begin a foot pilgrimage to Indianapolis. Please go to our website & sign up now. More info in our office.

Also, on the parish website: Under "Parish News" there is a survey we need your assistance with: a health survey for Becker County. (took me 5 minutes to do) . They will use the responses to better serve the health needs of the community!

Also, on the parish website: Under "Parish News" there is an upcoming meeting regarding the community response to homelessness on November 9th. The results of the homeless survey will be discussed.

The Question From: Henri J.M. Nouwen, "Seeds of Hope"

Our lives as we live them seem like lives that anticipate questions that never will be asked. It seems as if we are getting ourselves ready for the question "How much did you earn during your lifetime?" or "How many friends did you make?" or "How much progress did you make in your career?" or "How much influence did you have on people?" or "How many conversions did you make?" Were any of these to be the question Christ will ask when he comes again in glory, many of us could approach the judgment day with great confidence. But nobody is going to hear any of these questions. The question we all are going to face is the question we are least prepared for. It is: "What have you done for the least of mine?" As long as there are strangers; hungry, naked, and sick people; prisoners, refugees, and slaves; people who are handicapped physically, mentally, or emotionally; people without work, a home, or a piece of land, there will be that haunting question from the throne of judgment: "What have you done for the least of mine?"

From an email: Tonight, before you go to bed, give your problems to God. He will be up all night anyway. Another: Live your life in such a way that when your feet hit the floor in the morning, Satan shudders & says... "Oh no.....she's awake!!!" or another: "There are two kinds of people: those who say to God, 'Thy will be done,' and those to whom God says, 'All right, then, have it your way.'" - C. S. Lewis And from Mother Teresa: Peace begins with a Smile!

Blessings on your day! Fr Chuck

"My God will fully supply whatever you need..." - Philippians 4:19
 God really does provide for those who are grateful and generous. This is very difficult for people that don't live a stewardship lifestyle to believe. People are skeptical and say it's just coincidence. If you are skeptical, try living a stewardship lifestyle for just one month – be generous with your gifts of time in prayer, talent in charitable works, and treasure, then see how God provides for your needs.

HOUSING IN BECKER CO.

ADDRESSING HOMELESSNESS AND CREATING COMMUNITY SOLUTIONS

GOAL OF SESSION

Ensuring people of all ages can stay healthy and well is a priority in our communities. We know people want to be able to have a safe space to live, that parents want the best for their children, and that people want to live in a healthy community. One issue that is preventing some from living a happy, healthy life is access to safe, stable housing and experiences of homelessness.

A group of faith leaders and community partners in Detroit Lakes and greater Becker County, have come together to engage in community solution building to address homelessness. This group, working with Creating Community Consulting, is exploring creative opportunities to address immediate needs in the community while building toward long-term sustainable solutions.

We are excited to invite you to participate in the next phase of this process where we will:

- Explore and discuss data collected from the homeless response system, local service providers, and community feedback
- Hear from local experts on issues surrounding and causing experiences of homelessness
- Collectively create solutions to address homelessness in Becker County

We appreciate your participation in this one-of-a-kind opportunity to build solutions together!
