#### Through him, and with him, and in him

"Through him, with him, and in him, in the unity of the Holy Spirit, all glory and honor is yours, almighty God and Father, forever and ever. Amen." The climax of the Eucharistic Prayer is a doxology, a word of glory. Praise blossoms on the lips of the priest and is sealed by the "Amen" of the people. The entire Eucharistic Prayer flows into this one moment, like a river into the sea. We acknowledge that every good thing descends to us from the Father through Christ and, through Christ, "in the unity of the Holy Spirit," we return to the Father "all glory and honor." The priest alone, or in a concelebrated Mass the principal celebrant together with the concelebrating priests, sings or says the final doxology, lifting high the paten with the host and the chalice. The people's solemn acclamation, "Amen," signifies their complete adhesion to everything said by the priest. This is the true elevation fulfilling the psalmist's mysterious words: "What shall I render to the Lord for all his bounty to me? I will lift up the cup of salvation and call on the name of the Lord . . . in the presence of all his people" (Psalm 115:12-13).

# Holy Rosary Catholic Church

January 28th, 2024 Fourth Sunday in Ordinary Time

#### A Letter from Cathy Larson...

Each year, I look forward to the last week of January, when we observe National Catholic Schools Week. The week's theme is Catholic Schools: United in Faith and Community. The theme encompasses the core products and values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples, and enriched citizens in our communities, but our educators are also growing with our students. In Catholic schools, we all are learners, servants, and leaders. These shared qualities are what make Catholic schools function effectively and succeed!

The theme also focuses on the key elements of a Catholic education: *faith development, academic* excellence, and a dedication to service. Holy Rosary School is rooted in FAITH. The most important aspect of our school is the ability to share the mission of Jesus and the Catholic faith with our students. Our faith holds us together and stands at the forefront of our school. We are blessed to be able to celebrate weekly Mass as a school, pray together daily as a school family, and teach our students to live their life with Jesus as their ultimate role model. We also are rooted in *EXCELLENCE*. Everything that we do is in service of our students, while we work to create an environment in which they can learn and thrive. We strive for academic excellence and have high expectations for treating others with dignity and respect. We encourage and support our students in all their endeavors as they explore and develop their God-given gifts to become the person He wants them to be. Finally, our school is rooted in SERVICE. Our teachers and school staff serve our students and parents, and we teach our children to live in service of others. We become role models for our students who will grow up embedded in the pillar of service. These elements set Catholic schools apart from other educational options, and they are why families make sacrifices to provide their children with a Catholic education.

The insert in this week's bulletin communicates the theme of each day and the many activities in which our students and staff will be partaking. We invite you to take part in our week-long celebration by joining us at our school Mass on Wednesday, contributing to our service project "TeacHaiti", or by simply including our school in your prayer intentions throughout the week.

As a school, we recognize and appreciate the parishioners of Holy Rosary who see the value of Catholic education and support our families in educating our young people so they can reach their full potential. We are grateful that you acknowledge the vital role of the school faculty, staff, and volunteers in this effort, and that you support our students as they learn about their faith and the skills they need in the 21st century.

Each day, I thank God for the teachers, staff, council members, parents, volunteers, and parishioners who make our school a success. National Catholic Schools Week is the perfect time for us to recognize the dedication and service put forth by so many. Thank you, members of Holy Rosary, for all that you do for our school! We are truly blessed by you!

Cathy Larson, HRS Principal

How much anxiety do we bring upon ourselves by constantly worrying about not having enough or attaining more things? God won't necessarily give you everything you want, but He will provide everything you need. Try this - use the word "pray" instead of the word "worry" in the future. Then spend your time praying instead of worrying.

Catholic Schools United in Faith and Community

"Brothers and sisters: I should like you to be free of anxieties." - 1 Corinthians 7:32
