**A Letter from Deacon Gary Hager**

Today is the Solemnity of the Most Holy Body and Blood of Christ - Corpus Christi. The celebration this year is presented in a manner not seen in the recent past. The Eucharist: the Body and Blood of Jesus, is in procession for nearly two months from four furthest locations of the continental United States. This pilgrimage is in preparation for the National Eucharistic Congress in Indianapolis, Indiana this July. Pilgrims are in procession by foot and vehicle with Jesus exposed in a monstrance from these locations: San Francisco, CA; Brownsville, TX; New Haven, CT; and Lake Itasca, the Headwaters of the Mississippi River. The processions began on Pentecost and are bringing Jesus to His brothers and sisters who lack hope because of sickness, death, feeling abandoned or alone, and many other needs. These people get to meet their God, and in some cases, those who don't know God, the Creator of heaven and earth.

Too many people live without a purpose or are living an unhealthy purpose, which leads to despair. A percentage of Catholics live knowing Jesus is real and present in the Eucharist. Our baptismal promise and purpose is to help others encounter Jesus. We do this through prayer, personal testimony, and examples. Including laying one's life down for a friend. This is why we honored military heroes who gave their lives for our country this past Memorial Day.

Jesus willingly went to the cross, taking on our sinful behavior to make us "right" with God the Father through this new covenant in the Eucharist. The covenant is His Body and Blood shed for us. This covenant is explained by Fr. John Riccardo, Arch Diocese of Detroit, MI, [www.ACTSXXIX.org](http://www.ACTSXXIX.org), May 27, 2024. A covenant is a promise between God, the Creator, and His people. In the Old Testament, God makes a covenant with Abraham, and He tells Abraham to take a bunch of animals, cut them in half, and then put them on opposite sides of a path. Then the person making the covenant with God would walk between the split pieces; his walking between them was his way of saying, "if I don't keep the covenant, may what's happened to these animals happen to me."

In Genesis, Chapter 15, God tells Abraham to do this, but then Abraham doesn't walk through the pieces which is what Abraham should have done because he's obviously the inferior one, the creature in the covenant. Rather, God puts Abraham into a dream or trance, and then Abraham has this vision of a smoking brazier which is an image of God passing through the pieces. God is making a promise, saying may this happen to me if I don't keep the promise I'm making to you. God's is also making the same promise for Abraham. Ponder that for a moment; God is saying to Abraham, I'm going to keep my word, and if you don't keep your word I'm making the promise for you too. If you're not faithful and if your descendants aren't faithful then may I (God) be hacked to shreds. This is God, the Creator of the Universe, making this promise to a creature made for friendship and love, a creature who is rebellious towards his Creator.

Jesus, the Second Person in the Trinity, the Son of God the Father, is the one that was hacked to shreds by His creature, hung on a cross by His creature, and died for His creatures who are rebellious toward God the Father. Jesus took on all the punishment that each of us should receive because of our rebellious nature towards the Creator, God the Father. This is the LOVE that we receive.

This LOVE is the same, yet a different kind of LOVE we have for God and each other. One definition of love is willing the good of another. The Catechism of the Catholic Church, paragraph 1825 says, "Christ died out of love for us, while we were still "enemies." The Lord asks us to love as He does, even our enemies, to make ourselves the neighbor of those farthest away, and to love children and the poor as Christ himself."

The pilgrims in procession with Jesus in the monstrance are a procession of the Blessed Sacrament, showering love on all those along the path with healing, faith, hope, and love. Holy Rosary Church exposes Jesus in the monstrance, located in the Adoration Chapel, every Tuesday following morning Mass, until 7 p.m. Come, receive the love of Jesus, present in the Eucharist.

God bless everyone on this solemnity of the Most Holy Body and Blood of Christ,  
 Deacon Gary

*"Then he took a cup, gave thanks, and gave it to them and they all drank from it." - Mark 14:23*  
 Jesus, the perfect steward, gave thanks, just before He gave Himself up for us, completely for our salvation. He offers us the same chance to drink from His cup. In the bread and wine, we meet Christ personally. If we follow Him, drinking from His cup means we offer our own self-sacrifice, using all of our gifts for the benefit of others and to do His work on earth.

**Items from the Holy Land**

Representatives from Bethlehem Christian Families will be with us on June 8 & 9 to ask for your help and blessing for the native people of the Holy Land in Bethlehem. These families, sixty years ago, made up 18% of the population. Due to recent events in the Middle East, it has caused these families to face devastating economical strain and caused the population to decrease to less than 2% in the Holy Land. These families have relied on the income from their religious hand carved olive wood artifacts to tourists. So, we have come to the USA to try to help support these families by bringing their artifacts here to sell in the USA. All the proceeds from sales will be sent back to the families of the Holy Land so that they may be able to keep their homes and provide their families. The last few years were very tough for the Christian families, and this is the only source of income for them.

PLEASE BROWSE THEIR ITEMS AND HAVE SOMETHING FROM THE HOLY LAND.

**Father's Day Collection for Retired Diocesan Priests**

On Sunday, June 16, you are invited to generously give to the Father's Day collection for Diocesan Retired Priests. As the number of retired priests increases in the Diocese of Crookston, your generosity is critical. Funds provide for the needs of our retired priests, including Medicare supplement premiums and continuing education. Please begin praying about giving a gift in gratitude for the blessings you and your family received from retired priests.
