May 12th, 2024 Ascension of Our Lord

## A Letter from Father Chuck Huck

Ascension Sunday greetings, I normally like to use this column as a written homily, giving hints on how to live life. May however is a month filled with action: so, I want to make some comments on a select few of those events:

- something red to next weekend's masses to mark the occasion.
- at home.
- see Jesus at work in our community gathering us together.
- note to the graduates: now that you are alums, we will be counting on you.
- of running this large parish family. Thank You Thank You!
- that is weird... I pray for the day it is normal for a catholic to share a Jesus story...in public.

The following are different answers given by school-age children to the given questions: Why did God make mothers?

- 1. She's the only one who knows where the scotch tape is.
- 2. Think about it, it was the best way to get more people.
- 3. Mostly to clean the house.
- How did God make mothers?
- 1. He used dirt, just like for the rest of us.
- 2. Magic plus superpowers and a lot of stirring.
- Why did God give you your mother and not some other mom? 1. We're related.
- 2. God knew she likes me a lot more than other people's moms like me. If you could change one thing about your mom, what would it be?
- 1. She has this weird thing about me keeping my room clean. I'd get rid of that.
- 2. I'd make my mom smarter. Then she would know it was my sister who did it and not me.

### Be good, behave, be safe, be kind, be generous, Blessings, Fr. Chuck

• We are nearing the Feast of Pentecost: The Descent of the Holy Spirit upon the Apostles. Think about wearing

The Star of the North celebration and the beginning of the Eucharistic Revival procession to Indy gets underway next weekend. Many parishioners will be in both Bemidji and Indianapolis for these exciting days. We ask for and offer prayer support for those that will be there. In turn we ask them to offer special prayers to Jesus for those who are here

• I have been separately visiting young couples, 2 with children, 1 about to get married, 1 about to have their first child. I asked about the possibility of them joining together to help form a young family's group here in the parish. It would be a way to support each other, celebrate together and get to have friends that can be with and for each other. All have responded positively. Now we just need to pick a date and have a "young family Parish Patio Party". Please mention this to young families you know and watch for the date and time of the gathering... encourage them to be there.

I enjoy reflecting on our parish and how close we are to being like the early church. The readings from Acts of the Apostles give a model of how to be a family of believers. As staff and parish leadership we want to express our thanks to all the members of our parish who volunteer in so many ways. I cannot list all the ways that you give your time and talent because I am afraid of missing one of the areas that are so vital to us being a vibrant healthy community. It was in the breaking of the bread the disciples knew Jesus. When we celebrate liturgy (break bread) together we also can

As a community we acknowledge the importance of Graduation serving as a milestone date for our youth. Congratulations to our eighth graders and high school seniors. As our school year comes to an end, we offer thanks to the students, families, teachers and staff for their support and spirit of volunteerism. Thank you for your example. A

When priests get together, we do talk shop and I often comment on the generosity of our parish family. The Holy Rosary DAA (Diocesan Annual Appeal) is so close to its goal, and our Sunday collections can help cover the expenses

Where have you seen Jesus in action this week... I can tell you several stories... I think the parish is on the verge of being able to share personal stories of encounters with Jesus with others, publicly... At the latest priest gathering we were challenged: if a priest asked for volunteers to stand on a Sunday and share a Jesus story... would anyone in the parish be willing to do so? I said Holy Rosary might get a few who would, but would also have a few who would think

How strong is your faith? When you have an opportunity to either defend or clarify a question about our Catholic faith, do you do it? Or, do you remain silent so that others don't think you are weird? Pray for the courage to be strong in all circumstances and to joyfully share your witness with others.
