THE BAPTISM OF THE LORD

### A Message From Deacon Gary

This Sunday we celebrate the Baptism of the Lord.

Most likely, many of us do not recall our Baptism. Some members of Holy Rosary do recall their baptism, especially adults received into the Church at the Easter Vigil after several months of preparation, through the journey of OCIA (Order of Christian Initiation for Adults). Based on the joy expressed from the newly baptized, confirmed and received first Eucharist, the men and women appear to be overwhelmed with grace received from the Holy Spirit. To witness their response to baptism is one of the greatest moments you may ever experience.

Today's gospel reading we hear the scripture verses of Jesus baptized in the Jordan River by John the Baptist. Remember John and Jesus are cousins; they have probably known each other from a young age. Jesus approaches his cousin to be baptized. John, the elder of the cousins, knows who Jesus really is, the Son of God. John questioned Jesus... *"I need to be baptized by you, and yet you are coming to me?"* Jesus replies to John, *"Allow it now, for thus it is fitting for us to fulfill all righteousness."* Then John baptizes Jesus; baptism by water is transformed into forgiveness of sins. All that follows must have been overwhelming for all present at the baptism. Scripture verses continue, *"the heavens were opened for him, and he saw the Spirit of God descending like a dove and coming upon him. And a voice came from the heavens saying, 'This is my beloved Son, with whom I am well pleased.'*

At your baptism, God expresses these same words to you as a son or daughter with whom God is well pleased with you. Each baptized person has their sins washed away and they are now a child of God, a member of the Catholic Church through the Holy Spirit. Always remember, your identity is a child of God. Even when you or I sin, we are still a child of God, but with a broken relationship with God. To repair the relationship with God, confess your sins by stepping into the confessional to have an encounter with Jesus through one of God's priests. Correcting the relationship through the Sacrament of Reconciliation is the medicine that heals.

The baptism by John the Baptist in the Jordan River transformed the waters into flowing grace and mercy. The baptism in the Catholic Church cleanses the person of their sins and God adopts each person as His son or daughter through those healing waters. Thanks be to God for the gift of baptism!

Lastly, always remember, your identity is a Child of God! ~Peace, Deacon Gary

### The Holy Father's Prayer Intentions of the Month

#### For prayer with the Word of God

Let us pray that praying with the Word of God be nourishment for our lives and a source of hope in our communities, helping us to build a more fraternal and missionary Church.

#### Stewardship Reflections

***"John tried to prevent him, saying, 'I need to be baptized by you, yet you are coming to me?'" MATTHEW 3:14***

The Catholic Catechism states that "Jesus' immersion in the water is a sign for all human beings of the need to die to themselves to do God's will." In other words, as baptized Catholics there is only one gift that we need to give to Jesus – the gift of ourselves. Surrender yourself to God, place your trust in Him and allow the Holy Spirit to work through you for the greater glory of God.
